School Goals

Our school's long-term goals continue to be focused on improving our graduation rates. We believe that this can be done by helping our students to regularly attend school. Our goal is to have over 80% of our students attending school regularly. We work with students and families to inform them of the importance of regular attendance. Our school is also focused on keeping students on track for graduation. We would like our freshmen on track for graduation to reach 90% in the next two years.

State Goals

The Oregon Department of Education is partnering with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2025. To progress toward this goal, the state will prioritize efforts to improve attendance, provide a well-rounded education, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.

Safe & Welcoming Environment

The first priority at RHS is to provide a safe and secure learning environment. Through partnerships with our community, we provide a full time School Resource Officer, fully staffed teen health center, and numerous mental health services on our campus. We also strive to ensure that each student has a strong connection with adults on our campus. This is done through a strong PBIS system, social emotional learning, and numerous clubs, activities and programs. RHS wants every student and family to feel safe and welcomed on our campus.

About Our School

ADVANCED COURSEWORK

Roseburg High School provides numerous Advanced Placement courses and dual enrollment courses through our partnership with local community colleges and four-year universities.

AP courses

- Calculus, European History, US History, US Government, Spanish, German, English Literature, Biology

Dual-enrollment courses

- Pre-calculus, calculus, world languages, Medical Terminology, Composition, several social studies courses, art courses, and numerous career and technical education courses.

CAREER & TECHNICAL EDUCATION

Roseburg High School has been committed to growing our CTE programs and courses. We have many programs of study in which students can earn dual credit and advanced certificates: woods, welding, business, drafting, early childhood education, culinary arts, hospitality & tourism, manufacturing, agriculture, and more. Recently, automotive and health care courses have been added. We feel these courses not only support our students in preparation for college and careers in their future, but also offer current internship and employment opportunities.

EXTRACURRICULAR ACTIVITIES

Roseburg High School offers over 40 academic and after school clubs and activities, such as:

- National Honor Society, Interact Club, Altrusa, Key Club, World Language Club
- Robotics, Math Club, Drama Club, Clay Club
- FFA, FBLA, FCCLA, Skills USA
- Unified Special Olympic
- And many, many more

Throughout the year students create new clubs and organizations to meet their diverse interests and needs.

Our school offers 19 OSAA athletic team sports and several club sports.

PARENT & COMMUNITY ENGAGEMENT

Along with a parent advisory committee, our school engages our parents and community by hosting a variety of events intended for parents and community members to attend:

- PRIDE Night
- College & Career Workshops
- Evening of Excellence
- Open House and Parent Teacher Conferences
- Indian Huddle
- Play & Musical/Theatrical Events

Our community also supports RHS through the Roseburg High School Foundation, numerous scholarships, Band Parent Organization, sports clubs, and CTE advisories.
